8256 Union Centre Blvd., West Chester OH 45069
513-626-0210
brown.kl@pg.com

Kate Brown is Procter & Gamble's Global Product Supply Water Sustainability Leader. She applies her sustainability passion and experience to help over 100 manufacturing facilities around the world identify and realize opportunities to deliver P&G's 2030 water sustainability commitments. In her 20 plus years with P&G, Kate's previous roles included creation of global energy reduction programs, oversight of breakthrough sustainable packaging initiatives, championing sustainability employee engagement campaigns, as well as manufacturing and global engineering roles.

Kate is a graduate of the University of Missouri-Columbia with a B.S. in Chemical Engineering and a minor in Environmental Engineering.
